

UNACCEPTABLE FACE COVERINGS

BANDANAS, FACE SHIELDS, MESH MASKS AND MASKS WITH VENTS

FACE SHIELDS WORN WITH AN APPROVED FACE MASK
AS AN ADDITIONAL PRECAUTION IS ACCEPTABLE.

ALL GUESTS MUST WEAR A MASK AT ALL TIMES WHILE IN THE
CASINO REGARDLESS IF THEY ARE VACCINATED OR UNVACCINATED.

WHY? Face coverings with
vents/exhalation valves and
bandanas allow unfiltered
exhaled air to escape.

Thank you for your understanding
and support of our health and safety
initiatives. For more information
regarding unacceptable face
coverings please visit:
